

**Christ United Methodist Church
Library Donation Policies (updated Sept, 2015)**

Make a donation - The CUMC Library accepts monetary and non-monetary donations. Monetary donations are a lasting way to honor, memorialize or celebrate a loved one or outstanding group. Donations can be made by cash or check directly to the finance department. Be sure to express your wishes for whom the donation honors/memorializes and who the donation is from (group or individual).

Non-Monetary donations of books and other items can be made directly to the CUMC Library in room N166. We request that only new or gently used books be donated. Because of limited space in the library it cannot always use all donated items. Once items are donated they become the property of the CUMC Library. If the library cannot use all items, the excess items will be passed on to another home. The library shares some of its excess donations with other churches to help establish their libraries.
