

**Christ United Methodist Church (CUMC)
Community Resource List**

www.cumc.com/servingothers/communityresourcelist

Our community is fortunate to have many programs, centers and organizations providing assistance to individuals and families in need. Because CUMC does not have the resources to handle all requests here, we rely on these programs and centers to help us manage the needs of our community.

CUMC members and visitors help support many of these agencies through financial gifts and volunteers – extending our serving others programs as far as possible!
